- Packaging dimensions (W x H x D): 230 x 246 x 68 mm
- Master carton dimensions: 245 x 270 x 225 mm
- Master carton quantity: 3
- Master carton weight: 2.5 kg

Product highlights

Zero Bright Dot™ screen

Enjoy highest-quality images that are free from annoying blank spots on the LCD screen. LCD displays commonly have imperfections, termed as 'bright dots' by the LCD industry. A limited number of bright dots were once considered an inevitable side effect of LCD mass production. With Philips' strict quality control procedures used in our Portable DVD Players, our LCD displays are produced with zero tolerance for bright dots. Select Portable DVD Players come with Philips Zero Bright Dot™ Policy to guarantee optimal screen quality.
